JOURNAL

During the year, the Director of Research, in addition to his present duties, assumed charge as Editor of the Journal. Improvements in the quality of the Journal were maintained, thanks to the active cooperation of many members. Articles covering a wide range of subjects appeared in the Journal apart from important news and notes and several notifications issued by the Institute or the Government. The Journal has evoked commendable response from students who now find it more useful from their points of view. A good number of articles written for students now appear in the Journal in a separate perforated section meant for them. The circulation of the Journal recorded further increase during the year.

RESEARCH

Three research studies, as noted below, were completed and drafts thereof circulated among referees for their comments. In the light of these comments, these studies have been under revision and are in the various stages of completion—

1. Cost and Quality Control—prepared by Shri Ashutosh Sett, MSc, AICWA, Assistant Director of Research.
2. Management Accounting Problems in Small Scale Industries in India with Case Studies—prepared by Shri Dipak Sen, MCOM, AICWA, Assistant Director of Research.
3. Cost of Banking Operations—prepared by Shri Arun Kumar Ghosh, MA, Assistant Director of Research.

The research project undertaken by the Directorate on Comparative Efficiency of Fertilizer Industry in India, 1961-62 to 1970-71, has been completed. The Director of Research acted as Director of this project. Research schemes undertaken by Dr. M.D. Apte, BCOM, BSC(ECON) (LONDON), PHD, FICWA,

REGIONAL COUNCILS

The four Regional Councils of the Institute, namely, the Western India, the Southern India, the Eastern India and the Northern India Regional Councils are constituted as under

| | Western | Southern | Eastern | Northern |
|---|---------|----------|---------|----------|
| Elected Members | 6 | 5 | 9 | 3 |

| Co-opted Members | 1 | 1 | — | 2 |
| Total | 11 | 9 | 13 | 10 |

The functions of the Regional Councils, as defined in Regulation 116, have been mostly carried out. These included holding of seminars and conference, lectures and debates, group discussions and the like. Visits to factories and meetings of practising members to discuss matters of professional interest were also organised by Regional Councils. Library and reading room facilities continued to be provided as in the past. Coaching classes for students also continued to be conducted.

The construction of a building for the Northern India Regional Council is now in progress and will be completed soon. Its foundation stone was laid by Shri V.V. Giri, the President of India, on 5th July 1973, in a befitting ceremony. On completion of the construction, three of the four Regional Councils will be housed in Institute's own premises at the respective places.

CHAPTERS OF COST ACCOUNTANTS

During the year, one more Chapter of Cost Accountants, namely, Gauhati Chapter, was recognised bringing the total number of recognised Chapters to 35 as on 31st March 1974. These Chapters have considerably helped local members and students in many ways. Apart from conducting oral coaching classes, most of the Chapters successfully organised seminars and conferences at various places. With a view to improving further the services to members and students, the Council decided in principle to extend some of the functions to regional and chapter levels.

As mentioned in the last report, the Council has taken a decision to integrate Chapters of Cost Accountants with the Institute, and for that purpose, amendments to Regulations have already been proposed. The scheme of integration will be implemented after the proposed amendments receive approval of the Central Government.

DISCIPLINARY MATTERS

One complaint received earlier under Section 21 of the Cost Works Accountants Act, 1959, is awaiting disposal by the Hon'ble Calcutta High Court.

THE COST AND WORKS ACCOUNTANTS ACT

A mention was made in the last report about the Council's recommendations to the Central Government for certain amendments to Cost and Works Accountants Act, including changes in the name of the Institute and of the description and qualifying letters of its members. It is understood that the matters are receiving active consideration of the Government.

REGULATIONS

A number of amendments to Cost and Works Accountants Regulations have been carried out during the year, and these have been reported from time to time in the Journal of the Institute.

COMPANIES ACT

As reported earlier, the Council submitted a detailed memorandum, followed by oral evidence, to the Joint Select Committee on Companies (Amendment) Bill, 1972. The Select Committee, having considered different view points, recommended in their Report that cost audit should be conducted by Cost Accountants alone, provided that if at any time the Central

Government is of the opinion that sufficient number of practising Cost Accountants is not available in the country, the Government may permit Chartered Accountants possessing prescribed qualifications also to conduct cost audit for a specified period. If these recommendations are accepted by the Parliament, the development of the profession will be considerably helped.

COST AUDIT

The eligibility to do cost audit has not undergone any change since the last Report. Major changes are expected, as mentioned in the last paragraph, when the Company Law is amended by the Parliament.

The industries for which Cost Accounting Record Rules have been framed under Section 209(1)(d) of the Companies Act are so far 15, namely:

Cement, Cycle, Caustic Soda, Tyres and Tubes, Automobile Batteries, Electric Lamps, Room Airconditioners, Refrigerators, Motor Vehicles, Electric Motors, Electric Fans, Agricultural Tractors, Aluminium, Vanaspathi and Bulk Drugs.

It is understood Rules for Sugar, Baby Milk Food and Industrial Alcohol are, amongst others, in the process of being framed.

TAXATION LAWS

A memorandum containing certain recommendations for amendment of Income-tax Act was submitted on behalf of the Institute to the Select Committee on Taxation Laws (Amendment) Bill 1973. A delegation from the Institute, led by Shri V. Kalyanaraman, Vice-President, also tendered oral evidence before the Select Committee.

MANAGEMENT DEVELOPMENT PROGRAMMES

The fourth programme in the series of one week Management Development Programmes on Management Accounting Concepts, Tools and Techniques for the middle and senior levels designed by the Institute was held in June, 1973. The largest number so far in the series from different disciplines and organisations in and around Calcutta and other States in India participated in the programme.

A tailor-made training programme was organised by the Institute for the Executive Assistants of Bokaro Steel Ltd. at Bokaro Steel City in September 1973.

In January-February 1974, a six-week another tailor-made training programme on Financial Management for the Officers from the various Sub-offices of the Comptroller and Auditor General of India was organised by the Institute at Calcutta. Apart from scheduled lectures, it included library session of 2 to 3 hours a day and factory visit at the end of the programme.

ALL INDIA COST CONFERENCE

The Sixteenth All India Cost Conference was held at Calcutta between 8th and 10th February 1974, which was inaugurated by Shri Shankar Ghosh, Hon'ble Minister of Finance and Excise, Planning and Development, Government of West Bengal. The Welcome Address was delivered by Shri N.K. Bose, Chairman of the Conference Committee. The Presidential Address was delivered by Shri M.R.S. Iyengar, President of the Institute.

Over 600 delegates and observers, coming from various parts of the country, attended the Conference.

SEVENTH CONFERENCE OF ASIAN AND PACIFIC ACCOUNTANTS

The Seventh Conference of Asian and Pacific Accountants was held at Bangkok, Thailand, between 4th and 10th November, 1973. INTERNATIONAL COORDINATION COMMITTEE FOR ACCOUNTANCY PROFESSION

The International Coordination Committee for Accountancy Profession was formed at the Tenth International Congress of Accountants held in Australia in October 1972 with a long term objective of developing a coordinated world wide accounting profession with uniform standards. It comprises representatives from the accountancy profession of Australia, Canada, France, India, Japan, Mexico, Netherlands, Philippines, United Kingdom, United States of America and the Federal Republic of Germany. The representation to ICCAP from each country was decided to be one from amongst the professional personnel and one from the permanent staff of the accountancy bodies in the country. The Council has urged the ICCAP that this Institute may be given a seat in that body.

INTERNATIONAL ACCOUNTING STANDARDS COMMITTEE

To attain the objectives of the International Coordination Committee for Accountancy Profession, a step taken has been the formation of the International Accounting Standards Committee in June 1973 with nine member countries and is chaired by Sir Henry Benson of the United Kingdom. This organisation is a part of the ICCAP with autonomy for the promulgation of accounting standards.

The Council of the Institute decided to seek Associate Membership of this organisation independently of any other accountancy body.

DISTINGUISHED VISITORS

Shri K. K. Ray, Secretary to the Government of India, Department of Company Affairs, accompanied by Shri P. B. Menon, Joint Secretary, and Shri P. K. Malik, Regional Director, Company Law Board, visited the Institute on 6th November 1973.

AUDITOR'S REPORT

I have audited the attached Balance Sheet of the Institute of Cost & Works Accountants of India as at 31st March 1974 and the annexed Income & Expenditure Account for the year ended on that date.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

The Balance Sheet and the Income & Expenditure Account dealt with by the Report are in agreement with the books of accounts.

In my opinion, the accounts are maintained in conformity with the requirements of the Cost & Works Accountants Act and Regulations, 1959.

In my opinion and to the best of my information and according to the explanation given to me, the statements of accounts give a true and fair view :

- (i) in the case of the Balance Sheet of the state of affairs as on 31st March, 1974; and
(ii) in the case of the Income & Expenditure Account of the 'Surplus' for the year ended on that date.
